THE CHESTNUT BURR

Once more offers its pages for the portrayal of the ever interesting, dramatic story of college life at Kent State University. This volume edited by editors Jay Delulis and Jean Moyer with the independent editor Randa Tozer, and the rest of the staff, collaborating with business managers Gene Korb and Harold Briola, will in a pictorial manner review the people and the events in which they participated throughout the year.

KENT STATE UNIVERSITY BAND

With brightly colored uniforms the university band, 80 strong, marched itself into prominence this year, lending more color than ever before witnessed at the university activities. On the football field, in parades, at the Cleveland exposition, and at plays, the band together with its six featured trumpeters made itself an alive organization.

THE MESSIAH

A record audience greeted the University music department's production of "The Messiah," the great oratorio by Handel, depicting the birth, life and crucifixion of Christ. The performance of this famous composition on the afternoon of Palm Sunday, March 21, was the largest undertaking ever attempted by the Department of Music and its success reflects much credit on the various participating groups and the conductors.

The soprano solos were sung by Miss Helen McClaffin of the Music Department. The other solo parts were sung by guest artists: Floyd Townsley, tenor; Ellen Repp, contralto; and Melton Moore, bass; all of New York City.

The oratorio chorus of 100 voices was composed of the men's glee club and the girls' glee club. The chorus accompaniments were played by the University orchestra.

Prof. Fred H. Denker, at the piano, and Miss Juliet Dowdy, at the organ, accompanied the solos.

Miss Florence Sublette conducted the oratorio performance, having had during the rehearsal weeks the assistance of the associate conductors: Prof. Roy D. Metcalf, Prof. Fred H. Denker, and Miss Elfleda Littlejohn.

Outstanding vocal organization on the campus. . . . Thirty picked voices blending in harmonious song.

This year the choir was featured in the Thanksgiving, Christmas, and Easter assemblies; and assisted in several other assembly programs. Numerous concerts were given at various schools and churches throughout northeastern Ohio. Broadcasts were made from Akron, Cleveland, and Columbus.

The choir is under the direction of Miss Helen McClafflin of the music faculty.

GOODRICH CLUB

The Goodrich club is made up of ambitious young men who are out to prove that brain is mightier than muscle.

The club is the brain child of "once a free man" Del Homer and Willard Turner. Our purpose is to find social release for gummed-up lives of rubber workers.

This year the club has a membership of thirty, and the strength of three hundred.

INDUSTRIAL ARTS CLUB

The Industrial Arts club, composed of majors and minors in Industrial Arts, is an organization which promotes better fellowship among the students, and discusses many of the current problems of the teacher and the student.

The organization held several social functions, outstanding, a combined banquet with leading industrial arts men from Ohio and others in the industrial arts conference held here this spring.

ALPHA PSI OMEGA

Membership in Alpha Psi Omega is the highest honor which can be bestowed upon college students active in dramatics. To become a member, a student must be of junior or senior standing and have had two leading roles in major productions or the equivalent. Nine people have been initiated during the year, 1936-37. The purposes of Alpha Psi Omega are: 1. To reward people who have done outstanding work in dramatic art; 2. to give them affiliation with a national group that will be of value to them later on; and to encourage these students to do more and better work in the theatre.

PARLANCE CLUB

The parlance group was established in its present form during the first semester of 1936-37 term. It is unique in the respect that it is the only organization in the state that has attempted with considerable success, to bring the students and faculty members of a university on a comparatively equal basis—as students of modern social and economic phenomena—its primary purpose.

The organization has launched a radio program disseminating information analyzing the functions and relationships of the many different American institutions to the American people. This is a regular bi-weekly feature. It has done this in the belief that a University should not exist solely to impregnate the enrollee with academic knowledge, but also to serve its community as a whole as a spring of reliable information and interpretation of human culture.

OFF-CAMPUS CLUB

The Off-Campus Women's club is a social organization open to all women students not living in a campus dormitory.

Dances, picnics, steak roasts—all are given throughout the school year for members and their guests. Social activity is as important a part of the bi-weekly meetings as the more formal business procedure.

The annual Pop Entertainment, which bids fair to become a school tradition, is the club's most ambitious project. Profits from the performance are used to further furnish the club room, which is the recognized haven for girls who "don't have a class this hour."

MEN'S UNION

The men's activity program existing at Kent State University is an outgrowth of the belief that a Dean should give his students helpful supervision, intelligent guidance, help them develop an enthusiasm for life's activities, and give them encouragement for creative endeavor. He realizes that only a small proportion of students have the qualifications necessary for the hard grind of varsity athletics. He does not believe, however, that most students should sit on the bench while the remainder work out. It is therefore necessary to work out a broad program of activities ranging from intramural athletics to creative arts, some part of which will fit the interests of every male student on the campus. This is the purpose of the Men's Union, an organization that every male student automatically becomes a member upon entering school, and which is directed by the director of Men's activities who works under the Dean. Each year Dean Manchester presents a cup to the student who has achieved the most number of points from this program of activities. This year's director was John Farinacci and his assistant Sam Fogg.

WOMEN'S ATHLETIC ASSOCIATION

The pool is a spot of heaven for the true W.A.A. member. The sight of its cool green water brings back memories to all its invaders. Each Tuesday evening at 8:00 P. M. "Sharks Club" is in session and scenes from exciting water polo games or perhaps from team relays or free splashes can be witnessed.

A most exciting event is the annual team swimming meet, to prove which W.A.A. team has the biggest fish. One would think that the Japanese with their background, would come out on top, but contrary to fact, the German team emerged victorious.

The true "Sharks" of the club are Ellen Hollenstien, who shows beauty in diving; Helen Dunstan, administrator of all activities, and Harriet Nunnally, an expert backstroker.

Dancing—enjoyed by the ancient Europeans—is still enjoyed by the members of the Modern Dance Club of the Women's Athletic Association. Here we find Modern Dance in the most modern form as advocated by Charles Wiedman and Doris Humphrey a part of the program of Kent State university. Each year a dance drama is choreographed by members of the association and presented by Kent State's Doris Humphrey; Bernice Lacy, Virginia Petty, and Bunny Elliott for the benefit of the students and faculty.

Tap Dancing both to learn how and to perfect present knowledge, is a part of the winter and spring activities. This year Lake Erie College sponsored the advanced tap group as a part of their program in the dance symposium for northeastern Ohio colleges.

The Women's Athletic Association Club Room was opened this year by an all-college tea, attended by nearly five hundred students. The room was furnished by the Gold K Club, the final award for W.A.A. It offers the height of comfort ranging from a studio couch to a radio.

Each week the official board meeting, "prexied" by Jayne Buckmaster, is held in the room. The monthly meetings, association parties, Gold K Club meetings, committee meetings, and frequent teas may be seen enjoying the comforts of the club room. Each day over thirty W.A.A. members use it to study. It is the stopping-off place, the "bull session corner" and the campus "Brady" for the women of the University.

"Take me back to my boots and saddle," the theme song of all members of the "Boot and Saddle Club," a newly organized yet very popular club of the Women's Athletic Association. They post and try to canter at the popular Ravenna Riding Academy. Eleanor Likens and Violet Pearl are able to "stick" in the saddle better than the majority of the members.

"Tee for Three" hums the "Tee Club" members as they try the eleventh putt on the green at the Meadowview Golf Course, considering that the fifteenth hole (the one near the lake) has been successfully covered. Jane Moss is the best W.A.A. "Putter," and they are certainly proud of her.

"Swing High, Swing Low," and that is the exact motion of the loyal "Swing Club" members as they are led to accomplishment by the favorite "swingers" Nadine Hulbert and Francis Reed.

Then there is the Horseshoe Club, pitched to victory by Mary Blazeckovich. The best Deck Tennis Club members were challenged as Evelyn Ashton came forth with a heavy overarm. Ruth Morrell starred in ping pong and Marion Heely in the Tennis Club. The Badminton Club is fortunate to have its winner, Adele Singley. Archery, or shall we say "Cupid's Club" has no one to excel Francis Lothrop.

When it comes to the "Bucket Club" (basketball to beginners) we find nearly sixty players fighting for their teams to win the W.A.A. team Plaque, presented each year at the final banquet to the team with the highest awards. Kay Vallen and her "bucket-teers" of the Australian Team emerged the victors.

When there is a tea to be given we find Esther Adams, Betty Bergman, Kay Stevens, and Dorothy Ruggles the "call to arms." And when it's time to average the points to determine the final awards for each girl, one sees Sylvia Canepa laboring industriously in the Clubroom over stacks of points that terminate at her chin.

At each board meeting where the final business of the organization is decided upon it is very comforting to see Mrs. Marie Apple, the advisor for the association, sitting importantly on the Clubroom studio couch.

The notice has just been posted, and all members are on their toes to secure their tickets for the Sweetheart Dance. Notices of startling effect like this one are posted daily on this bulletin board just outside the W.A.A. Club room.

In September one would see a poster concerning the Freshman Style Show which acquaints the new women with the organization. In November it will be the Dance Drama, a Julia Marsh production, featured in the case, and by January it is the annual Carnival. February announces the Awards Tea, and its chairman, Rita Murphy, and March the Symposium. When May comes along the spring air has taken effect and the Association announces the entertainment of nearby high school students at their Betty Bozman-sponsored Rodeo Playday. In the early days of June the Formal Banquet ends another active year and begins the reign of a new "prexy."

In addition to these social activities each week one sees notices posted inviting the entire college to social dancing or play and swim nights.

Handball—A game for the feet as well as the hands, and just a little bit for the head too.

Hiking—but no hitch-hiking is the motto of the W.A.A. Hikers Club.

Basketball—It's all in the bag, or is it best to say "basket" when the W.A.A.ers play the game.

Deck Tennis—W.A.A. players are just practicing to be ocean travelers where the game is the fad.

Ping Pong—A game for the robust, a game for the stout—especially when you play against a W.A.A. girl.

Modern Dance—A change from the old spring dance to rhythm supreme, cherished by fifty coeds.

In the season's debut, Kent State's Golden Flashes whipped John Carroll's Blue Streaks 34-7. Carroll scored seven points, in the early minutes of the game, before the Starnmen began to click and smothered the Clevelanders.

* * * * *

Heidelberg's Student Princes defeated Kent 19-0. Fumbles proved disastrous as the Flashes overlooked Heidelberg in their feverish preparation for the Akron game.

* * * * *

The Zipper jinx toppled Kent again, this time 6-0. The lone touchdown came in the second period as the result of a 75 yard march. Rain slowed up the game considerably.

* * * * *

In a downpour of rain, the O. U. Bobcats edged Kent into their third consecutive defeat by the score of 6-0. Kent lacked the scoring punch to defeat the co-holders of the Buckeye conference.

* * * * *

Kent won its second victory at the expense of Bowling Green's Falcons. Coach Starn strategically elected to receive the opening kickoff after losing in the opening moments of former contests. The move proved timely, and the Flashes halted a dangerous aerial attack to win 6-0.

* * * * *

A hefty crew of sophomores played the important roles in Kent's third victory of the season over Findlay, 19-0. The second year men scored in the first three periods, winning easily over a weak Findlay squad.

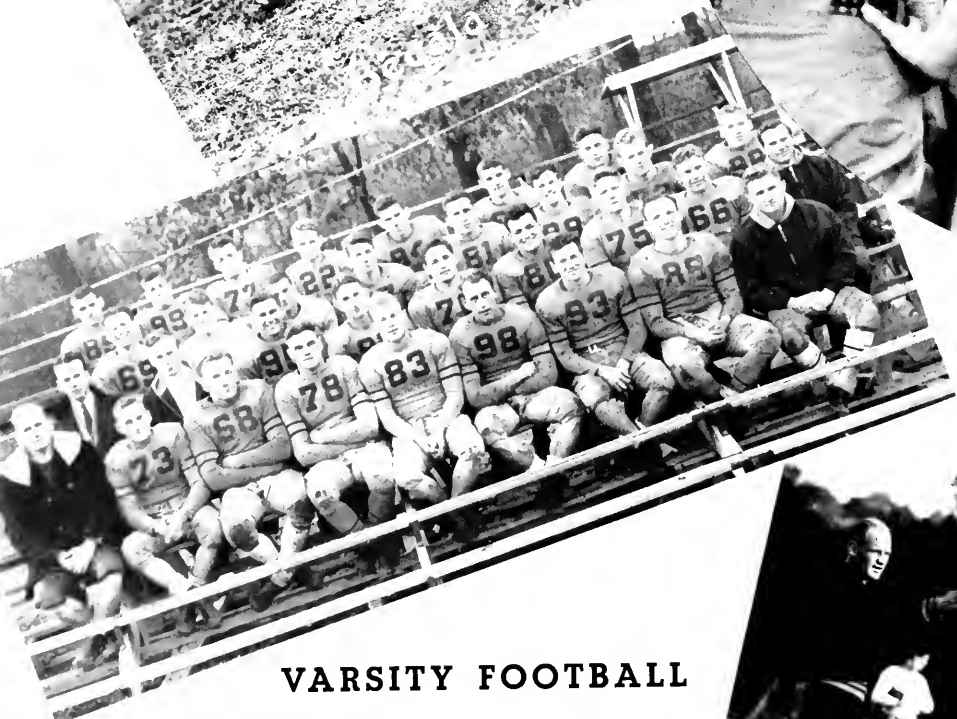

* * * * *

After leading by two touchdowns in the first Period, Marietta's Pioneers rallied to nip the Kent Staters for their fourth setback of the season. The Flashes faded after piling up a commanding lead, and bowed 14-12 before an excited Homecoming throng.

* * * * *

Ashland's Eagles were the fourth team to taste defeat at the hands of the Starnmen. Kent broke a long-standing jinx to win, but had perfect command of the situation throughout the contest. Dolby, Eagle back, ran 99 yards to set a new field record as well as Ashland's lone score.

Hiram, Bowling Green and Bluffton fell before the late season spurt of the Starnmen. Kent defeated Hiram, 39-32, Bowling Green, 35-31, and then traveled to Bluffton to end the season with a 38-33 victory.

NEBRASKA**

Champs!—In all the competition and victories that wrestlers win there is none that equals the thrill received when the crown is given to the wrestler, symbolizing the "Champion," the best in the weight. Ever since wrestling got its foothold on the athletic program, individuals have been given an opportunity to reap rewards for their individual performances.

It is not like other sports, where teams win and lose, and the individuals are just players—but a sport in which the individual is all for himself and he gets credit for whatever he does.

Wrestlers must match wits, manpower, and knowledge, and there is very little chance for luck. Condition counts as much as any other factor and the winner must be good.

Kent has provided the Interstate tournaments with the majority of champions. These championships represent the best in this district.

Every year the place winners are brought together to determine the highest honor that can be achieved by any wrestler in the United States, that of National Champ.

Several Kent men have come so close to wearing one of the National crowns that all indications point that—"It won't be long."

Kent can be proud of Buell Graven, twice champ in the Interstate; Russell Doan, newly crowned champ; Carmen Falcone, heavyweight champ; Fulton Scott took second place.

MINOR SPORTS

No shame should be felt when the records of Kent's minor sports are spoken of, for the University has fared as well as any other in its first few years of varsity competition in these events. Decisive victories have been turned in over some of the cream of Ohio's competition.

In track, last year, several outstanding candidates were uncovered and are bolstering this year's thin clad crew. Although no wins were recorded in last year's competition, it was as well as could be expected for the first year of varsity competition.

Tennis saw the team faring somewhat better. Winning two matches, tying two, and losing three, the racketeers compiled a fairly good average. The Kent victories were over Ashland and Hiram. The defeats were from Hiram, Baldwin-Wallace, and Bowling Green, and the ties were with Baldwin-Wallace and Ashland.

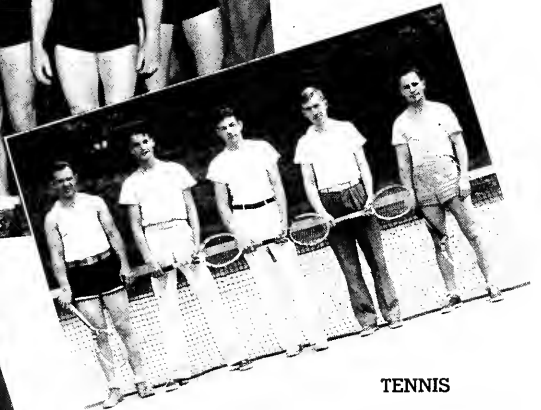

The swimmers managed to garner two wins out of eight meets, being barely nosed out several times. The number of wins is one better than last year, and speaks well for the second year of varsity competition for the natators. The two victories were over Fenn and Akron.

There was no Varsity gym team this year, but an exhibition team was formed that gave nine demonstrations throughout the school year. Given mainly at basketball games, the exhibitions included tumbling, apparatus stunts, and novelty acts.

AT KENT STATE UNIVERSITY YOU—

Go to the Brady or the Robin Hood for that refreshing "coke."

Look up Bransby's when the Stater asks you for a photograph for that queen picture.

Visit Elgin's when in dire need of a watch to keep you from getting campused.

Drop in Coe Livingston's or Green's to find out if they have your size in a tux collar, or contemplate buying a suit.

Gas up at Jones' new gas station when the "Governor" lets you have the family chariot.

Patronize the local florists for the last minute corsage.

Must not forget when hiring a band to see Bobby Katz first.

These are just some of the local people with whom you deal in business ventures. By turning the following pages you will gain some useful information on where you can get that useful something in Kent.

In any event, we hope that you will always feel free to let us know whenever we may be in a position to give you special assistance.
